

FEATURES

## STACKING FEATURES

Ribs in body and lid give secure stacking whichever type of kit you have, from the 8" Tom case to the 24" Bass case and any size in between, each will stack safely in the van, at the gig or between gigs.

*'THE NEW GENERATION  
HARDCASES NOW HAVE  
VENTS DESIGNED  
INTO THE CASE TO  
MAKE IT EASIER TO  
OPEN AND CLOSE  
THE CASE. REALLY  
USEFUL ON THE  
BASS CASES'*

*These cases really protect your tubs, excellent quality.*

Nicko McBrain  
Iron Maiden

*'Almost Flight-Case-  
esque!'*

David Mattacks  
Fairport  
Convention

**SNARES & TOMS**

Tom Tom cases cover 8" to 15" Drums.  
 Overlapping compression lids.  
 Each case takes standard and power size.  
 Carry handles and ultra strong straps.

*"HOW DO THEY DO IT!  
 WITH THESE ONE PIECE  
 MOULDINGS THERE'S NO  
 JOINT TO BREAK OR  
 RIVETS TO SNAP!"*

Snare cases cover 10" to 14" free floating  
 Drums and 10" to 14" Piccolos.  
 Carry handles and ultra strong straps.  
 Snare Kit cases hold up to 14" free  
 floating Snare Drum.

*Hardcase  
 has taken the  
 knocks!  
 My drums  
 have never  
 been in  
 safer hands.*

Dave Reynolds  
 Drum Teacher

Separate section for kit.  
 Complete with internal straps, padded  
 shoulder strap and carrying handle.

**FLOOR TOMS**

Floor Tom cases cover 14" to 18" Drums.  
 Overlapping compression lids.  
 Come complete with carry handles and  
 ultra strong straps.

*"NOW WITH SHORTER  
 WEBBING LENGTH TO PREVENT  
 SNAP LOCKS BEING STEPPED ON  
 WHILST SETTING UP AT A GIG"*

**COMBO CASES**

*"On the road  
 you want your  
 kit to arrive at  
 the next venue  
 in top condition-  
 Hardcase quite  
 simply does the  
 job fantastically."*

Stewart Smith  
 Delirious

Takes two Tom Toms in one case  
 - less to carry.  
 Covers from 8" and 10" up to 14" and  
 15" Drums.  
 Foam grip padded divider plate protects  
 and holds both drums in place.  
 Overlapping compression lids.  
 HC13-14C will take 2 or 3 14" Snare  
 Drums.  
 HC14-15C will take 14" Floor Toms and  
 throne seat.

## BASS AND DOUBLE BASS PEDAL CASES

*As good as flight cases but without the weight. These cases are Rock Solid.*

**Matt Letley**  
Status Quo

Covers 18" to 24" Drums.  
Even stronger straps and quick lock clips.  
Plastic covered handles in lid and body to make lifting easy and can also be carried by two people.  
Overlapping compression lid.

Special design protects your expensive pedals.  
Internal straps hold the pedal in place.  
Strong carrying handle.

## CYMBAL CASES

Hand Cymbal case covers 12" to 22" Cymbals.  
Contain internal straps with foam pads to give maximum protection.  
Kit Cymbal case takes a maximum of 12 cymbals, crash, splash, china and hi hats.  
Contains a heavy-duty metal centre spindle complete with plastic sleeve to protect the cymbals.  
Large, robust, easy to grip hand-wheel in the centre gives complete security.  
Complete with a padded shoulder strap and carrying handle.

*When it comes to protecting my kit...I rely solely on Hardcase.*

**Jonathan Mover**  
Session Drummer

## LATIN PERCUSSION CASES

### Bongos

Takes all types of Bongo.  
Strong carrying handle.  
Foam pad gives all round protection.

### Timbales

Covers 10" and 12" up to 14" and 15" sets.  
Foam grip padded divider plate protects and holds each drum.

### Congas

Covers Quintos, Congas and Tumbas.  
Unique location ring in base prevents drum moving.  
Full foam protection for the drum-head.  
Carrying handle and heavy duty wheels make moving easy.

## ETHNIC PERCUSSION CASES

Covers 10" to 18" dia. Djembes plus 10" to 16" dia. Doumbeks.  
Unique location ring in base prevents drum moving.  
Full foam protection for the drum-head.  
A wide range of cases available for many other ethnic drums.

## MARCHING DRUMS

Covers Snares, HT Snares, Tenors and Bass drums up to 28".

Foam protection for your special drum. Complete with strong carry handles and strong straps with quick lock clips.

Bass cases come with plastic covered carrying handles in lid and body.

*'THE NEW GENERATION  
HARDCASES NOW HAVE A WIDER  
AND DEEPER BASE DESIGN  
TO GIVE EXTRA SPACE  
FOR RIM MOUNTING LUGS'*

## ELECTRONIC DRUMS

Cases available are made to fit Console, Bass and High Hat Kick Pads, Drum Pads and Cymbal Pads.

Console case has a customised foam block to protect the kit.

Bass and Kick Pad case comes fully foam lined.

Drum Pads and Cymbal Pads case takes up to 6 drum pads and 2 cymbal pads. Extra space for headphones and other equipment.

All cases come with strong carry handles and straps with quick lock clips.

## HARDWARE CASES

Specially designed to take all your hardware.

40" and 48" cases have two heavy-duty wheels at one end.

52" case has 4 heavy duty wheels for easy moving.

58" case has 2 heavy-duty wheels, 2 swivel castors and is big enough for lighting and PA gear.

28" is also great for leads and cables.

48" takes Microphone stands, speaker stands and drum racks.

Ribs in body and lid give secure stacking for any size cases to be stacked on each other.

*Hardcases  
are great  
quality, tough  
and durable -  
which is what  
the artists I  
work for  
demand of me.*

Ricky Lawson  
Session Drummer

## GIG TRANSPORTERS

There are two types of Gig Transporters available.

The Pack and Roll in sizes 28", 36" and 38", and the Traps cases available in sizes 21" and 31".

Big carrying capacity saves time.

Ideal for PA, lighting, amps etc.

4" diameter 'silent' wheels fitted.

Spring loaded heavy-duty metal handles at each end make lifting easy.

## MICROPHONE CASES

Extra special protection for those expensive microphones.

**HCMIC12** takes 12 mics and leads.

**HCMIC30** takes 30 mics only.

Use **HN28** for leads case (see page 9).

**HN48W** takes microphone stands including boom stands (see page 9).

## STICK CADDY

Unique design gives maximum protection to sticks.

Takes up to 10 pairs of sticks plus 1 pair of mallets and 1 pair of rods or brushes.

Sticks are tied to allow quick and easy choice.

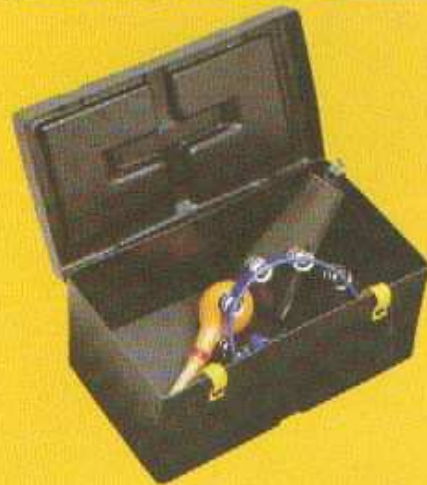

Shoulder strap gives hands free carrying.

Design prevents the caddy 'rolling' around the van.

*I swapped my fibre for some Hardcases - good move! A definite winner... thanks Hardcase.*

Thomas Dyaní  
Incognito

## PERCUSSION CASES

Takes all those small percussion instruments and prevents damage or breakages.

Keeps things neat and tidy.

Central carrying handle.

*'I.D. DISC' ALLOWS YOUR NAME AND BANDS NAME TO BE CLEARLY SHOWN TO SAVE ANY CONFUSION AT A GIG'*

## UTILITY CASES

*Hardcase is the answer, tough, good looking and affordable. Brilliant!*

Terl Bryant  
Snysson Drummer

Unique foam block system allows complete protection for your gear.

You create the exact space to suit your gear - universal applications.

Ideal for rack mount units, lead microphones, wireless mic systems, effect pedals, tuners, sound modules, lap tops, tools, etc.

Compact, versatile design allows easy carrying.

Ribs in body and lid allow cases to be stacked on top of each other.
